

BLOCK

Prevent all damage that would be dealt to you this turn.

TACTIC

COPY CAT

Copy the card your opponent played. If they also played Copy Cat, no effects happen.

TACTIC

FINAL ASSAULT

Roll 1D6 and multiply the result by 3. Deal damage equal to the total.

ATTACK

OVERHEAD SWING

Roll 2D6 and discard the lowest D6. Deal damage equal to the result.

ATTACK

POWER CHARGE

Store 1D6 in front of you. Add it to the roll of your next attack card.

TACTIC

RECOVER

Roll 2D6 and gain life equal to the result. Your life can exceed its starting total.

TACTIC

SWIFT STRIKE

Deal 1D6 damage before your opponent's effects occur. This attack can be blocked.

ATTACK

PARRY

Choose 1D6 from an opponent's attack roll. Deal damage equal to its face value to the attacker, then remove that D6.

TACTIC

QUICK START

SETUP

30 life each. Both players hold the same 8 cards.

EACH TURN

Secretly pick 1 card, then reveal together.

COMBAT

Attacks roll D6s. Swift Strike hits first. Block stops all damage. Parry steals 1D6 and deals its face value back.

CYCLES

Played cards stay face-up. When all 8 are spent, take them back and begin a new cycle.

WINNING

Drop your rival to 0 life to win. Both hit 0: draw.
